

AR-600

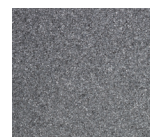

AquaRest Spas brings you the AR-600, the 6-person hot tub with 19 self-controlled multi-level stainless steel jets that ease away the tension of the day. Great for family time or entertaining, the AR-600's lustrous interior is fitted with cup holders and luxury armrests. The patented LED backlit waterfall has nine colorful light settings to help set the perfect mood. This energy-efficient model is kept at your desired temperature thanks to a thermal rod friction heater, full foam insulation and a marine-grade vinyl thermal cover. The durable, lightweight design of the AR-600 along with its simple set-up makes it the ideal spa for year-round enjoyment in your back yard, garden or vacation home.
