

Elite 500

Discover the Elite 500, the five-person hot tub with full lounge from AquaRest Spas. Recline and unwind as 29 stainless steel hydrotherapy jets massage away tension. The therapeutic lumbar arch support alleviates achy backs and the multi-level jet placement delivers soothing water pressure that massages every muscle into relaxation. Whether you're entertaining, enjoying family time or taking advantage of the health benefits of warm water therapy, the patented LED backlit waterfall with nine colorful light settings illuminates your experience into the night. Let the Easy Klean Filtration System, providing 100% water filtration, combined with the factory installed Ozone Purification System, work together to keep the water crisp and clean. Simple set-up makes this spa ideal for your backyard, garden or vacation home.
