

AR-300

The AR-300 by AquaRest Spas flawlessly combines relaxation and romance in the ultimate two-person spa experience. Enjoy body-contouring seats with 14 massaging jets that gently ease away tension and stress, leaving you feeling completely revitalized. A LED backlit waterfall with nine colorful light settings creates an illuminated and peaceful atmosphere as you melt into water kept at the perfect temperature by a thermal rod friction heater. The AR-300 is lightweight and virtually indestructible, making it perfect for easy installation in your backyard, garden or vacation home. With its simple set-up, you can begin benefiting from warm water therapy in no time.
